

New Visions Group Internship Program

Advantages of an Internship

Learn the day-to-day of a government relations consultant while gaining meaningful business experience. This internship will offer the opportunity to gain valuable skills, network and learn about the dynamic in-and-outs of Ohio's government. Internships are opportunities for current students, recent graduates and developing professionals to learn from on-the-job experience and training. We also welcome those with nontraditional academic experience. Our Internship Program is open to students of all majors and backgrounds.

Add Real Value to Your Resume

At New Visions Group, we recognize that our interns are a key component of our continuing success. As such, we value your ideas and energy, and desire to learn from you. Our respected team will be assembled around teaching you what can't be learned in a text book. Bring your brightest ideas and we will equip your talent with additional experience!

Why NVG?

New Visions Group enjoys the challenge of positioning businesses, non-profit organizations and trade groups for business opportunities with Ohio municipalities, the state legislature and statewide government agencies.
